Finding Aid for
HC-90:
The Bishop Paul A. Washburn Papers

Processed 2008 by Janet McDermott, Timothy Binkley, and Matthew Querns

Introduction

The Bishop Washburn papers in Historical Collection 90 focus on his several pastorates in Illinois dating 1939 – 1963. The collection consists of three linear feet of records occupying three boxes. Most of these documents are sermons (full text or notes) and worship bulletins. A few Bible study notes, community event addresses, and radio and television broadcast meditations can also be found in the collection. Only one series has been established: Ministerial Papers.

The collection as processed reflects the original chronological order of the papers as received. Undated materials have been organized at the end of the collection by pastorate, if known. The final folder is topical: memorial service sermons. From 1964, when Paul Washburn moved to Trotwood, Ohio, to become full-time EUB executive of
the EUB-Methodist merger negotiations, until 2007, these ministerial papers were shelved at Community United Methodist Church (formerly First EUB Church) of Naperville, IL. Community UMC and John A. Washburn, son of Bishop Washburn, donated HC-90 to the Center for the Evangelical United Brethren Heritage in 2007-08. The papers were hand-delivered by Dr. K. James Stein in October of 2007. There are no restrictions on the use of this collection.

Janet McDermott began processing the collection by inventorying, indexing, and re-housing the papers. Matthew Querns and Timothy Binkley completed the processing and produced the finding aid during the summer of 2008. An index of sermons listed by title, date, and location follows the Box and Folder Listing.

Biographical Note

Bishop Paul Arthur Washburn: March 31, 1911- May, 1989

Paul Washburn, born in Aurora, IL, the son of Eliot and Lena (Burhnsen) Washburn, was a 1929 graduate of East Aurora High School. He then went on to receive degrees from North Central College in Naperville, IL in 1936 and from Evangelical Theological Seminary in 1938. Paul Washburn received his license to preach in 1933, his ordination as deacon in 1936, and his ordination as elder in 1938. Paul Washburn was married to Kathryn Fischer, and they had four children: Mary, Jane, Frederick, and John. For 30 years, Paul Washburn served three pastorates in Illinois: State Street Evangelical Church Rockford, IL (1939-1947), Saint John’s Church Rockford, IL (1947-1953), and First Evangelical Brethren Church Naperville, IL (1953-1964).

During his time with the E.U.B Church, Paul Washburn served in leadership on the following General Boards: the General Program Council, the Council of Administration, and the Council of Executive Officers. Paul Washburn was also the Executive Secretary of the Commission on Church Union of the E.U.B. Church, and he was one of the principal drafters of the Plan of Union, which resulted in the 1968 union of the Evangelical United Brethren Church and the Methodist Church to form the United Methodist Church. During this time, he traveled from church to church explaining and
interpreting the proposed union, and on these travels, he passed out publications about the church’s union. Paul Washburn was a delegate to every General Conference of his church from 1946 through 1962, and on April 22, 1968, he was elected Bishop of the Evangelical United Brethren Church at the denomination’s final General Conference session. After the formation of the United Methodist Church, Bishop Washburn was assigned to the North Central Jurisdiction of the United Methodist Church.

He later served as a trustee of North Central College and of Evangelical Theological Seminary, and he was a guest lecturer in Religion and Pastoral Theology at Rockford College, North Central College, and again at Evangelical Theological Seminary. He also, from 1959-1960, served as Lecturer in Homiletics at the Rural Leadership School of Michigan State University. Along with his teaching, his publications include: *Our churches face union* (1965), *An unfinished church: a brief history of the union of the Evangelical United Brethren Church and the Methodist Church* (1984), *United Methodist primer* (1969), and *Where is the promised land* (1967). In May, 1989, Bishop Paul Arthur Washburn died due to heart failure at the Lexington Health Care Center in Lombard, IL.

**Scope and Content Note**

HC-90 contains a single series: Ministerial Papers. These papers, mostly sermons and worship bulletins, date from 1939 to 1963 and were generated by Paul Washburn in his pastoral career prior to becoming a denominational executive and then being elected bishop. Box 3 file 11 contains some programs from events that Bishop Washburn attended later in life.
