Sharing Our Resources: A “United” Effort
Letter from the Vice President for Development

United has a long history of support from our many alumni/ae and friends who share a deep love of ministry and the Church. This annual report is a reflection of the many tangible gifts that have been made to United, and we know the generosity of the United family doesn’t stop with these gifts that can be counted.

United’s development office is motivated to work with deliberate and intentional activity to share United’s story across the many venues of the Church. Outside my office door is “A Donor Bill of Rights,” and it begins with these statements: “PHILANTHROPY is based on voluntary action for the common good. It is a tradition of giving and sharing that is primary to the quality of life.”

The explosion of electronic marketing in social networks (see our story in Keeping in Touch, page 8) encompasses these two essential traditions: giving and sharing. It is exceptionally easy now to tell the electronic world about everything from life to vice. What once took hours or days to communicate can be accomplished with a few key strokes in just microseconds. An electronic message gives you something and then you forward it on – sharing it.

That’s our Gospel story – God gives us a faith that forever changes our lives and we must share it. It’s the recipe for “Making Disciples.”

The same can be true with our stewardship and charitable giving. Over the recent months, I have been encouraged by the enthusiasm of our alumni/ae and friends who are “paying it forward”... sharing the impact of United Theological Seminary on their lives, families and friends and passing that along to others – many times to people whose names they don’t even know.

United needs its extended family to share its story. Our staff, students, friends and alumni/ae can be excellent eyes and ears in identifying faithful persons across the Church who would enjoy supporting men and women preparing for ministry.

I ask you to consider prayerfully who in your network might be helpful to us and send them some information about United. By sharing United’s story you are opening the way for potential donors to see a larger picture of the Church and the possibility for the seminary to become part of their circle of charitable giving.

During this season of “sharing” I invite you to consider this way of giving to United:
1 | Pray about those in your community who may consider joining the United family and send them a link to our website: www.united.edu.
2 | Go to www.united.edu and click Support United on the menu bar
3 | Click on the left menu Refer a Potential Donor
4 | Download the Resource Form and enter information
5 | Submit by electronic or regular mail

PHILANTHROPY can also mean compassion, generosity, benevolence…and in this context, viral resourcing. As our greatest resource, you “pay it forward” by multiplying our support base and generating the momentum to expand United’s work in the church and in the world.

Thank you for supporting United and the men and women who are called to Christian ministry. It’s sacred work, and I’m glad the spirit has brought us together.

Sincerely,

The Reverend Timothy J. Forbess, ’93
Vice President for Development
United Theological Seminary is pleased to announce the naming of the Memorial Library in honor of long-time librarians, Elmer J. and Betty A. O’Brien. The O’Briens have launched the naming opportunity with a $500,000 gift commitment to United. An additional $100,000 will be raised to fulfill one-half of the library naming rights.

“Elmer and Betty O’Brien have honored the United community with decades of faithful service, friendship and heartfelt financial support,” said President Wendy J. Deichmann Edwards in announcing the O’Briens’ gift and the seminary’s decision to name the library. “In this naming of the library in their honor, we recognize their generosity to the seminary over many years, as well as their current commitment.”

Reverend O’Brien came to United in 1969 to serve as Director of Library and Information Services and Professor of Theological Bibliography and Research. During his tenure, he significantly increased the library’s academic resources and maintained many highly regarded academic series, making United’s library one of the finest theological libraries in Ohio. Elmer also served as President of the American Theological Library Association, a major professional organization that has honored him for his skills and leadership.

Elmer was a mentor for students as a core group advisor and taught academic research courses while working closely with the seminary faculty to secure the materials and resources that enhanced their work in the classroom. His vision for the library’s future, its systems of acquisitions and the focus of the collection are still felt in the library’s current operations. Elmer retired from United in 1996.

Known for his warmth and wry humor, Elmer assisted United’s students in their research papers and sermon development, and was an advocate and counselor for many who came to United’s campus. He, accompanied by Betty, would often take Sunday morning excursions to hear students preach in parish settings around Ohio and Indiana.

In 1986, Betty A. O’Brien joined Elmer in the library as a reference librarian. Transitioning to United after the closing of St. Leonard College in Centerville, OH, where Betty served as librarian, she kept reference materials ordered and assisted in the “difficult-to-find” articles and references. She served as research assistant to the President’s Office during the years of President Leonard I. Sweet’s tenure at United. Though “officially” retiring in 1996, Betty continues to do bibliography and editing work for Dr. Sweet.

“The O’Briens’ investment in students, in scholarly research and the community life at United is truly exemplary,” said President Edwards. “On behalf of United Theological Seminary, I’m deeply and forever grateful to Elmer and Betty.”

Elmer and Betty live in Boulder, CO, where they continue to be active in their church and community and enjoy attending concerts. They also keep in touch with friends and family, traveling to Breckenridge, CO, and Dayton, OH, where they are warmly remembered from their many years of faithful service at the seminary and in the Dayton community.

Alumni/ae Giving for Annual Fund Tops $106,000

United’s tradition of reaching out to alumni/ae each year with the annual phon-a-thon took place October 6 – 16, 2009. With a gift given the week following Easter, alumni/ae giving toward the Annual Fund has climbed to more than $106,000 in pledges and gifts, and the number is growing still! The success is especially commendable when we consider that this total is 42 percent higher than last year. Our alumni/ae continue to love United! We have worked hard to update the seminary records with better addresses, phone numbers, and e-mails. We recruited more persons to help phone and for the first time some alumni/ae called from their own homes.

United’s future, with God’s help and through our efforts as alumni/ae, can remain bright. The campus is recognized as a center for E.V., U.B., and E.U.B. historical preservation. More than merely celebrating past achievements, though, our efforts as alumni/ae can mold the future of the Church.

Thanks for your support!
Harold ’67 and Norma Stockman

Editor’s Note: The United community wishes to express our deepest gratitude to Reverend Harold and Norma Stockman for their tireless efforts and faithfulness in leading the 2009/10 phon-a-thon. They gave an unparalleled amount of volunteer hours, their joy made the work pleasurable, and their spirit is contagious. By them, we have been blessed. Thank you, Harold and Norma!
