United is blessed with a community where the definitions of generosity are demonstrated daily on the world stage. As members of the United family, we often hear stories of your ministry and the occasions when your holy work and the Holy Spirit call you into a moment of prophetic witness. United’s family members do the work of ministry from the pulpit as well as represent the most committed of the laity of our church. You have performed well in the human struggle and it’s God’s voice you hear proclaiming you as “faithful” and “obedient,” along with “selfless” and “generous of spirit.”

In your generosity to United, your gifts have made possible the hiring and retention of world-renown scholars that comprise the seminary faculty. Your gifts have also made possible more than half-a-million dollars in scholarship aid for promising student leaders of the church and servants of God for future generations. Your gifts have gone with students in the intercultural program, taking some to the far reaches of the globe. Your gifts have also funded sabbatical leaves for faculty members to study, write, and publish the cutting-edge academic offerings that ignite conversations on best practices for renewing our church. Literally, you have blessed us at United and thereby you have blessed the Church for its mission.

Among the blessings we celebrate this year is the growing fiscal strength of the seminary. We are pleased to present to you and to the board of trustees a report confirmed by the annual audit, that United has completed another year “in the black.” Spirit led, with growing numbers of students, increased giving by constituents and the wise guidance of President Wendy Deichmann, the streamlining of the seminary has brought joyful, positive financial results – a trend we plan to continue.

While I was a seminary student at United, my Old Testament professor, Dr. Thomas Dozeman, gave a lecture on the journey of the Israelites and their understanding that God is in the land. God makes holy the very ground we walk on, hence “holy ground.” Spirit led, you who have supported this ministry of theological education, preparation and formation, have, with God, made possible “holy ground” for many others to walk upon while following God’s call to ministry.

We give thanks for you and for your generous offerings to United, a community of learning dedicated to renewing the Church for the mission of Jesus Christ in the world!

Sincerely,

The Reverend Timothy J. Forbess ’93

New Scholarship Program
Fosters Donor-Student Relationships

United is proud to offer a new Master and Doctoral Scholar program that provides full tuition funding for qualified candidates of United’s Master of Divinity and Doctor of Ministry programs. You may know that many students leave seminary and enter full-time ministry with more than $60,000 in student debt. Ensuring the economic stability of a new pastor directly affects his or her ministry and the church he or she serves.

The program begins with an opportunity for the donor to provide an education to a student who will become a pastor and lead, teach, and serve hundreds and possibly thousands of people throughout his or her ministry. A commitment of $10,000 per year for five years is the gift that reaches out into God’s future for the Church. Additionally, the donor commits time over the student’s three-year career to meet with the chosen student, and to become an informal mentor.

Students benefit from the gift by receiving full tuition funding for three years, the time it takes to complete the program at United. The student also has a responsibility to keep in contact with the donor, updating the donor on his or her progress in seminary and in ministry. This donor-student relationship establishes communication and fosters caregiving between United’s friends and students.

If you are interested in finding out more about the Master and Doctoral Scholar Program, please contact Rev. Evan Abia in United’s Development Office at 937.529.2201.

STUDENT TESTIMONIALS

“Without this scholarship, I would not have been able to attend United this year. It has allowed me to continue my academic studies as well as build relationships and connections within the seminary and in the church.”

– Alyssa Smithers

“The Master and Doctoral Scholar Program has meant that I am able to live into my call to earn a Master of Divinity degree so that I may become ordained as an Elder in the UMC. I feel very blessed and more able to concentrate on deepening my relationship with Jesus Christ and others as well as learning things that will make me a better pastor.”

– Sharlene Kobb

“I would like to thank the Mark Burton family and United for giving me the privilege of being in the Master and Doctoral Scholar Program. It has opened the door for me to attend seminary full-time while still being engaged in full-time ministry.”

– Josh Tissot

“The Master and Doctoral Scholar Program has been a phenomenal blessing, allowing me to move forward in the ministry of Christ.”

– Marcus Mills

Thanks, Harold and Norma!

Volunteer co-chairs, Norma and Harold Stockman ’67, have announced their “retirement” from overseeing the annual Phonathon. Thanks, Harold and Norma, for your hard work over the past several years!

Receipts from the October 11-21, 2011 Phonathon have reached nearly $120,000 as of March 15, leaving $30,000 to go to reach the Stockmans’ goal of $150,000! If you have not yet contributed or pledged to the campaign, please consider your gift by donating online at www.united.edu under the “Support United” menu, or send your check by mail to: United Theological Seminary, ATTN: Annual Fund, 4501 Denlinger Road, Dayton, OH 45426. United’s viability and future, with God’s help and through the efforts of committed alumni/ae, will remain solid and bright. We appreciate your help in making that effort sustainable by investing in United’s future. Thanks for your support!
