“Then the master told his servant, ‘Go out to the roads and country lanes and make them come in, so that my house will be full.’”

Luke 14:22-24
Letter from the President

A Year on the Road

Dear Friends,

This first year of presidency has afforded me the wonderful opportunity to visit with members of the United family across the country. The road theme for this year’s annual report is a natural one — with many of you, I’ve seen a lot of roads this year!

This means I’ve encountered a lot of “road construction” too. It reminds me of what we do at United — each person who is called to Christ’s ministry has met Jesus in his or her life and each one must construct a roadway to fulfill this call to ministry. At United we work hard with students to lay a solid foundation of biblical study, spiritual formation and sound doctrine able to support the weight of responsibility for faithful ministry. Distance education provides new opportunities to serve the underserved in both local and international classrooms! Our work must take into account both ancient building traditions and cutting-edge knowledge, materials and practice in order to support the best routes and most reliable roads for ministry! Distance education is making possible new opportunities to serve and new forms of excellence in both local and international classrooms!

What roads would be effective without bridges? Our faculty members are bridge builders who work with students from the awareness of their call to ministry to the day of graduation.

Our faculty embraces and studies the beliefs, traditions and ministries of the Church and translates them into the present and future. By recruiting and diligently preparing persons for ministry, our faculty and staff are working to build a vital and exciting future for the Church!

Your gifts have made it possible for United students to build roads into Christ’s ministry. Your faithful support makes possible the work of an outstanding faculty for this important ministry of theological education!

There has never been a more exciting time to be in this ministry at United Theological Seminary. Your support keeps our mission strong, vital and dynamic! Please visit us in person and online (www.united.edu) as often as you can.

I look forward to seeing you here and . . . on the road!

With gratitude and joy in Christ,

Wendy J. Deichmann Edwards
President
Olins Believe in United’s Future

As we planned for our marriage in 2006, we established a trust to care for the future disposition of our assets. We decided that we wanted to leave the major portion of our estate to United Theological Seminary. We owe much to United. United has had an integral place in the formation of our faith and ministry. Each of our late spouses, Rev. Dr. James Nelson, ’59, and Rev. Dr. Judith Olin, ’67, ’88, also had a deep and abiding commitment to the seminary.

We believe in the mission of United Seminary, and we want to make a significant contribution to its future as it continues to faithfully serve the Church. While we anticipate that it will be many years before United will receive this gift, we trust that at that time our investment will bear fruit in the advancement of the work of Christ in the world through this school that we love.

Legacy for Tomorrow Campaign Brings United $10.2 Million

At the May 2009 board meeting, Mr. H. Stanley Eichenauer, ’60, Chair of the Board of Trustees, announced the conclusion of the Legacy for Tomorrow campaign effective June 30, 2009. “This campaign represents the largest and most successful campaign for the seminary in the last 30 years,” said Eichenauer.

The Legacy for Tomorrow campaign brought in funding for a new campus location, the retiring of a portion of the seminary’s debt, and some additional scholarships. A number of persons added United to their estate plans during the campaign, and those gifts will continue to address the school’s needs well into the future. “We called out to the United family, and they responded in the most faithful way possible,” said Eichenauer.

Many of the campaign’s effects can be seen just by looking around the campus facility. Seven classrooms were named by donors, as well as 33 offices and areas of the seminary. The campaign, an inclusive campaign that covered a course of four years, brought in $10,215,362 to care for facilities, scholarships and endowments.

“This campaign brought us back into relationship with much of our community, who by their actions reminded us of their love for the church and their devotion to providing the church with excellent leadership,” said President Wendy Edwards. “We are deeply grateful for all the work that was done by President Zeiders, the seminary staff and volunteers who poured many hours of labor and love into the project. Their dedicated work has brightened United’s future.”

A celebration of the campaign will be the focus of a Legacy gathering later this fall.

Rev. Tim Forbess, ’93 Appointed as VP for Development

For nearly a decade, from 1989 to 1998, Rev. Tim Forbess, ’93 worked in the Development Office at United. After a decade in other ministries, Tim was invited back by President Wendy Edwards last November as a consultant with fund development for the seminary. On July 1, 2009, Tim was appointed Vice President for Development. “I’m definitely a little older and maybe a little wiser,” he said, “but it is really exciting to be a part of this wonderful place that has shaped so much of my life and ministry.”

While serving full-time at United, Rev. Forbess will continue in his role as lead pastor of First United Methodist Church, the historic Dayton congregation where United was founded in 1871. A growing partnership between United and First Church will provide the church with assistance in ministry education opportunities and technical support while extending United’s reach more deeply into the urban center of Dayton.

“We are pleased to welcome Tim back home,” said President Edwards. “His history with United, his extensive knowledge of the school and his energetic, creative approach to development are exactly what we need. His leadership in development will help us accomplish the ambitious goals before us.”

A scholarship in memory of Robert J. Meyerson, ’03, has been established at United by his parents, Peter and Lee Meyerson, and their family and friends. Each year the scholarship will be awarded to a United student from outside Ohio who has financial need and will serve the seminary’s music ministry. The scholarship was awarded for the first time in 2009 to United student Kristen Parks, a middler M.Div student.

Rob was a student at United in 2002 when he was diagnosed with an aggressive form of cancer that led to his death in February of 2003. He completed a Master of Arts in Religious Communication, and his parents received his degree at the 2003 Spring Commencement. The United community planted a tree in memory of Robert Meyerson on Earth Day, April 18, 2007. A tree was planted on the Harvard Boulevard campus in 2003, but could not be moved to the new campus.

New Trustees at United

United has welcomed five new trustees during the past academic year. Thanks to these new members and to all our trustees for their service to United.

**Bishop Linda Lee:** Bishop of the Wisconsin UMC Conference; M.Div. from United Theological Seminary; D.Min. from United Theological Seminary; elected January 2009.

**Mr. Gregory Gibson:** Attorney, Gibson & O’Keefe Co., L.P.A., Dayton, OH; M.Div. from Princeton Theological Seminary; J.D. from University of Dayton School of Law; elected November 2008.

**Mr. James Heinrich:** Retired CEO & President of St. Marys Hardware Co., Inc., St. Marys, OH; B.S. in Mechanical Engineering from Ohio University; Masters in Business Administration from Ohio State University; elected November 2008.

**Dr. Jeffrey Greenway:** Pastor of Reynoldsburg UMC, Reynoldsburg, OH; M.Div. from Asbury Theological Seminary, D.Min. from Wesley Theological Seminary; elected January 2009.

**Dr. James Holsinger:** Professor in Health Sciences at the University of Kentucky, Lexington, KY; M.D. from Duke University; Ph.D. from Duke University; elected January 2009.

Thanks, Alumni/ae Association!

United’s Alumni/ae Association Executive Committee recently gifted $50,000 of its funds to the seminary. The Association’s funds come from an alumni/ae fee that is assessed to students and held in a deferred endowment account at the Dayton Foundation. A small percentage of the endowment is drawn at the end of each year.

“The discontinuation of a couple of projects we had previously funded meant we had an abundance in our account,” said Herman Emmert, Association President. “We wanted to share that abundance with the seminary.” Emmert said the group is now looking to find new projects to fund.

President Wendy Edwards said United is blessed with supportive alumni/ae. “We are so grateful for this gift and the many other gifts our alumni/ae provide, and that includes their Annual Fund gifts, their referrals of students, and their prayers.”
At United’s Advent Commencement service on December 19, 2008, Alumna and Trustee Bishop Linda Lee, ’84, ’94, (at right) reminded the United community that we are “blessed” by God to be a blessing to others. United has also been blessed through the gifts of the following donors whose generosity allows us to equip faithful pastors and leaders for the mission of Jesus Christ in the world.
Phon-a-Thon is October 6-16

United’s tradition of reaching out to our alumni/ae each year with the annual Phon-a-Thon is set to take place again this year from October 6-16. Rev. Harold Stockman, ’67, and Mrs. Norma Stockman are this year’s volunteer co-chairs. Alumni/ae will receive a mailing prior to the Phon-a-Thon so they can make pledges or opt to receive a call from one of United’s volunteer phone callers.

“Our alums still want to know what is happening at United,” said Rev. Stockman. “It’s always a lot of fun to talk to old friends and to reconnect with the United family.”

Our goal this year is $100,000. Please contribute generously in support of United’s work in preparing leaders for the church.

Seminary callers are all members of the United family. We do not use outside firms to contact our alumni/ae.
United Theological Seminary expresses its gratitude to the following donors. While all are not equal in their giving, we hope that the degree of sacrifice is equally shared.
