New Campus Pandemic Policy

United's new campus pandemic policy has been established. Going forward, the campus will be closed when Montgomery County is in either Level 3/Red or Level 4/Purple on the State of Ohio's public emergency coding system.

- Classes will be held virtually. Students will not be on campus. Faculty are encouraged to teach virtual classes from the virtual classrooms.
- Employees will work from home. Employees can come on campus when absolutely necessary.

Where does this put United right now?

- Montgomery County is currently in Level 3/Purple.
- The campus is closed until Montgomery County drops to Level 2/Orange.
