PRESIDENT'S WELCOME

Friends:

Thank you for choosing United theological Seminary as the place where you can grow spiritually, intellectually and personally as you respond to God's call in your life.

Our goal as a seminary is to be used by God to provide faithful, fruitful and Christ centered pastors and leaders for the Church. Eighty-three percent of our 2015 graduates are currently serving in some form of ministry with most serving as pastors or staff in a local congregation. The average number of 2015 graduates of all United States seminaries serving in ministry is 53 percent so United is an excellent place to prepare to serve God through the Church.

The heart of a seminary is the spiritual and personal growth which occurs in the dialogue and relationship between seminarians and their professors in class or online. As you choose which courses you will take to help you grow as a spiritual leader know that we will be praying that God will bless you and your experience at United.

A United Methodist Church official who places pastors in congregations recently shared with me that she has discovered United graduates are among the best prepared pastors to serve effectively as pastors or staff leaders in a local congregation. We give credit to our passionate and compassionate full time and adjunct faculty who are used by God to develop such effective Christian leaders.

God bless you as you prepare to surrender yourself into the hands of God and be used by God to make disciples of Jesus Christ for the transformation of the world.

As you prepare to serve God and the church I encourage you to pray the Covenant Prayer in the Wesleyan tradition:

"I am no longer my own, but yours. Put me to what you will, place me with whom you will. Put me to doing, put me to suffering. Let me be put to work for you or set aside for you, praised for you or criticized for you. Let me be full, let me be empty. Let me have all things, let me have nothing. I freely and fully surrender all things to your glory and service. And now, O wonderful and holy God, Creator, Redeemer, and Sustainer, you are mine and I am yours. So be it. And the covenant which I have made on earth, let it also be made in heaven. Amen."

Grace and Peace,

Dr. Kent Millard, President
Spirit Led, Renewing the Church!

INTRODUCTION

Dear United Student,

The Student Handbook is an official document that contains important policies and procedures that directly impact you. It also explains information on the services United offers to ensure your success both academically and in ministry, as well as how to access these services.

In order to support your success as a student, foster godly relationships and safe living, you will be expected to know and follow the policies and procedures in this Handbook. These are designed to support and maintain United's community of faith, which values healthy relationships, spiritual formation, academic rigor, and a global perspective.

You may also refer to this document for instructions on how to get support as a student. The Office of Student Success will also be happy to answer any questions or concerns you may have.

This Handbook is intended to be a resource for you and should not be read as an exhaustive contract between students, faculty, and staff. See the Academic Catalog for a more comprehensive account of United's policies and procedures.

On behalf of the entire United Theological Seminary community, we welcome the opportunity to serve you during the academic year. Many blessings to you as you answer the call of God on your life.

In Christ,

Chad Clark
Director of Student Success

Vision, Mission and Values

Vision

Spirit-led leaders, Christ-like Church, transformed world

Mission

United prepares faithful, fruitful leaders to make disciples of Jesus Christ.

Values

Historic Faith: We believe that the faith in Jesus Christ passed down to us through the centuries by the fathers and mothers of the Church is crucial for the life and witness of the Church today. The Bible is our centerpiece for theological formation and reflection. Through sacraments, creeds, the writings of great teachers and other resources, we grow in the knowledge and love of the Triune God.

Scriptural Holiness: We believe in the life-changing power of the Holy Spirit, who helps us to become Christ-like individuals and communities. Holiness is not simply about personal transformation. It is about transforming the world through faithful discipleship and just action.

Church Renewal: We believe that renewal, whether of individuals, congregations, the Church universal or all creation, is the work of the Holy Spirit, who is always ready to lead the faithful in this redemptive activity.

General Student Policies

Student Code of Conduct

United Theological Seminary is committed to creating and maintaining a community in which administrators, faculty, staff and students can worship and study together in an atmosphere where everyone can flourish. To this end:

Statement on Censorship

Students are entitled to freedom in learning and the expression of ideas as appropriate to opportunities and conditions in the classroom and in the larger community. Students should exercise their freedom with responsibility.

Problem Clearance Process

In the event that a student has been aggrieved and any informal attempt to remedy

the problem has been unsuccessful, United has created a formal Problem Clearance Procedure to restore harmony among those involved. The necessity for prompt attention to such problems or misunderstandings is important. Students must be assured that it is their right and privilege to follow a formal procedure to the top if necessary, without fear of censure or reprisal. The following Problem Clearance Procedure applies to all students of United Theological Seminary:

The Problem Clearance Procedure for students of United Theological Seminary shall consist of three levels. Any aggrieved student may be accompanied at any meeting or hearing by another United Theological Seminary student or employee, in the case of a complaint. However, the aggrieved student must always be present during any meetings or hearings, which take place within the outlined procedures. Students shall have the irrevocable right to present their problems and complaints in private.

- Step 1
 - a) The aggrieved student's problem or complaint shall be presented by the student and her/his accompanying student or employee, if any, to her/his supervisor or professor or designated representative.
 - b) The problem or complaint shall be discussed by the parties at an informal meeting.
 - c) The student shall, within three days subsequent to said meeting, receive an answer to her/his complaint.

- Step 2
 - a) If the student is not satisfied with the answer received, s/he shall, within three days after receiving said answer, prepare a concise written account of her/his complaint, and the supervisor or professor or designated representative shall prepare her/his answer in writing, and both documents shall be submitted to the supervising Vice President or Academic Dean.
 - b) Said Vice President or Academic Dean shall hold a meeting with the student and accompanying student/employee, if any, and the supervisor, professor, or designated representative. The Vice President or Academic Dean will render her/his decision within three working days subsequent to said meeting.

- Step 3
 - a) If the student is not satisfied with the decision made in Step Two, s/he may, within three days after receiving said decision, take her/his complaint to the President of United Theological Seminary for review and final decision.
 - b) The President, a Vice President, Academic Dean, one member of the Executive Committee of the Board of Trustees, and one member of the Board of Trustees, both to be selected by the President, and hereinafter designated the "Panel" shall review said complaint. The Panel may hold a meeting with the student and accompanying student or employee, if

- any. The President shall act as chairperson of the meeting and shall regulate the time to be allotted to each party for discussion.
- c) The student shall be given the decision within three days subsequent to the later date of the referral of the complaint to the President or the date of the meeting. This decision shall be final.

Institution's Policy on Return of Unearned TA Funds to the Government

When a student withdraws, the student may no longer be eligible for the full amount of TA funds originally approved. To comply with the new Department of Defense (DOD) policy United Theological Seminary will return any unearned funds on a prorated basis through at least 60% portion of the period for which the funds were provided. Campus Violence and Firearm Policy

United Theological Seminary is committed to preventing intimidation, harassment, violence and threats of violence in the campus setting, and to maintain a safe environment for students, faculty and employees.

United prohibits the possession, transport and storage of all weapons on United property (unless specifically permitted below). Weapons are defined to include, but not limited to handguns, firearms, explosives and other items that may be defined as weapons under state, federal or local laws or ordinances.

United has adopted the following guidelines to deal with intimidation, harassment or violence or threats of violence that may occur on its premises. Campus violence includes acts or threats of violence including conduct that is sufficiently severe, offensive, or intimidating to alter the academic conditions or create a hostile, abusive or intimidating work environment for one or more of its employees or students.

Any conduct that threatens, intimidates or coerces an employee, student, a United volunteer or a member of the public at any time, will not be tolerated. Examples include, but are not limited to, the following:

- All threats or acts of violence occurring on United premises, regardless of the relationship between United and the parties involved in the incident.
- All threats or acts of violence occurring off United premises involving someone who is acting in the capacity of a representative of United.

Specific examples of conduct, which may be considered threats or acts of violence, include but are not limited to:

- Physical assault of an individual (hitting, shoving, kicking or otherwise having unwelcome physical contact).
- Threatening harm to individuals, their family, friends, associates or property.
- Verbal assault for the purposes of intimidation and/or coercion.
- The intentional destruction or threat of destruction of United or personal property.

Students who are licensed to carry a concealed handgun may not carry a concealed handgun into any building owned or leased by United, or onto the United campus, except that license-holders may bring a handgun into United parking facilities. License-holder students must leave the handgun in the student's own locked vehicle and locked in the glove compartment, locked in the trunk, or locked inside a gun case. License-holder students must disclose to United management their intent to bring a handgun onto United property before bringing it onto the property. Peace Officers and other law enforcement officers privileged to carry a concealed handgun on United property pursuant to Ohio law may do so to the extent permitted by law.

All acts or threats of violence (both direct and indirect) should be reported as soon as possible to any member of the Executive Staff. This includes threats by employees, as well as threats by students, volunteers, or members of the public. When reporting a threat of violence, you should be as specific and detailed as possible.

All suspicious individuals or activities should also be reported as soon as possible to a member of the Executive Staff. Do not place yourself in peril. If you see or hear a commotion or disturbance, do not try to intercede or see what is happening.

United will promptly and thoroughly investigate all reports of acts or threats of violence and of suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain campus safety and the integrity of its investigation, United may suspend students pending investigation.

Anyone determined to be responsible for acts or threats of violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action, up to and including termination of student status.

United encourages students to bring their disputes or differences with employees to the attention of the Executive Staff before the situation escalates into potential violence. United is eager to assist in the resolution of disputes and will not discipline students for raising such concerns.

Non-Discrimination and Anti-Harassment Policy

Please refer to the United Website for the United Non-Discrimination and Anti-Harassment Policy at <http://united.edu/non-discrimination-policy/>.

Institutional Privacy Policy

Please refer to the United Website for the United Privacy Statement at <http://united.edu/privacy-statement/>.

A staff person's privacy may include one of several possibilities, i.e., a phone call relaying confidential information, a face-to-face meeting sharing confidential information, a project with a critical due date, etc. If a staff person will be unavailable for a long period of time (during the daytime), s/he may post a note on the door and inform the receptionist. If a staff person will be unavailable for a succession of days/weeks, s/he will inform the receptionist and ensure prompt response/service from another co-worker.

This applies also to staff persons who have no office walls. Each staff person may require privacy to help a student, each other, etc. Thank you for your attention and respect for individual privacy.

Students also have privacy, particularly as this relates to personal and academic performance. Faculty and staff know and are reminded NOT to discuss information about a student in public. Attempts to "help" a student may require the sharing of information among staff and this exchange of information must be done in a manner in which the student's right to privacy is protected. Therefore, faculty and staff are aware that they must maintain the utmost care in protecting the student's privacy.

The same also applies to students. Students congregating in the halls discussing class-related information occasionally also discuss other students, presumably in an attempt to assist a fellow student. Students must be reminded that they should take great care in respecting their fellow students' rights. It may be inappropriate to discuss (by name) a student's personal or academic situation, particularly in a public hallway. Therefore, United reminds faculty, staff and students to be mindful and respectful of each other's right to privacy.

Family Educational Rights and Privacy Act Policy (FERPA)

Please refer to the United Website for the [Family Educational Rights and Privacy Act \(FERPA\)](#) Policy.

The Office of the Registrar is responsible for administering FERPA at United Theological Seminary. Annually, United Theological Seminary informs students of their rights under FERPA and the regulations relating to FERPA.

Substance Abuse Policy

It is the policy of United Theological Seminary to provide all students and employees with a drug-free environment at the Seminary. In compliance with the Drug-Free Schools and Communities Act, the Seminary has established the following substance abuse policy.

All students and employees of United Theological Seminary are hereby notified that the following conduct is prohibited:

Unlawful manufacture, distribution, dispensing, possession, or use of controlled substances (drugs) or alcohol on Seminary property or as a part of any Seminary activity, whether on- or off-campus and whether academic, professional, or social in nature.

As a term of employment and/or enrollment, students and employees will:

- abide by the terms of this policy, and
- notify the Vice President for Administration of any drug statute conviction for a violation occurring on Seminary property or during any Seminary activity no later than five days after such conviction.

Violation of this policy will result in disciplinary action, up to and including termination of employment and/or expulsion and referral for prosecution.

Whereas alcohol is a legal substance, this policy applies to the unlawful manufacture, distribution, dispensing, possession, or use of alcohol—i.e., unlawful activities involving alcohol, including by or with underage persons.

Whereas some controlled substances (i.e., prescription drugs) are legal when used under the care and guidance of a licensed physician, their use may cause adverse side effects which can impair one's performance. Misuse of prescription drugs can lead to dependence and/or to any of a variety of adverse physical conditions.

The abuse of any drugs or alcohol can affect one's health, emotions, behavior, performance, productivity, attendance, decision-making abilities, and safety. It can be costly-and even fatal- for the abusers and for those around them.

STUDENT LIFE

Dean of the Chapel

One of United's three core commitments is to Scriptural Holiness. We believe in the life-changing power of the Holy Spirit, who helps us to become the people God created us to be. Yet holiness is not simply about personal transformation. It is also about changing the world through faithful discipleship. Our prayer is that United Theological Seminary would be fertile soil for God's faithful work of transformation in your life.

The Dean of the Chapel organizes a team to provide spiritual leadership and pastoral presence to the United community. You may contact the Dean of the Chapel at chapeldean@united.edu or 937-529-2256. Prayer requests may be submitted at prayer@united.edu.

The United Theological Seminary community gathers regularly in worship to celebrate God and be formed in the image of Christ so that we may be a united people of hope to our communities.

Chapel services are held weekly during the fall and spring semesters. The Eucharist is enjoyed each Tuesday. Chapel services also anchor our doctoral and master's Gathering Weeks.

The Student Council

The Student Council represents the student body at United. Elected by the students in the spring of each year, the Council advocates on their behalf by serving as members of the following standing faculty committees: Masters Studies Committee and Worship and Spiritual Life. Student Council also names a student trustee who represents student interests on the Board of Trustees. The Student Council meets monthly during the fall and spring semesters, as well as hosts student activities throughout the academic year.

Bylaws, meeting minutes and financial reports of the Student Council are posted on the Hub and viewable by all United students.

Student Council may be contacted at studentcouncil@united.edu.

Community and Social Life

A variety of community events are offered each semester. Celebrations of the opening and closing of the academic year, as well as seasonal worship, parties and meals, are planned for the entire community. All members of the United community and their families are welcome at these events. These activities, both organized and spontaneous, help build relationships beyond the classroom.

Students are invited to join together on social media to continue to build and engage in a sense of community at United.

The Student Center is located at the south end of the United facility on the second floor and is accessible by stairs or elevator. The center is available to all students for study,

recreation, fellowship, prayer or relaxation. The Center includes a large table for meetings or study, computer stations, a prayer room, the Women's Center, the Student Council office, restrooms, and a kitchen.

Student Housing

All student housing inquiries for both residential and overnight/intensive week lodging may be directed to housing@united.edu.

For hotel lodging, please review the information at <http://united.edu/accommodations/>. All lodging arrangements must be by students at their expense. Students are encouraged to pursue lodging partnerships with other students to reduce expenses during intensive week sessions.

Campus Meals

The United community gathers regularly for weekly common meals during the fall and spring semesters and during doctoral and master's intensive weeks. This provides opportunities for fellowship among the whole United community. Students are charged in advance each semester for required meals, unless excused by the Academic Dean. Special community meals may be planned at other times of the year.

Lunch is available during all Intensive weeks and during the traditional semester on Tuesday each week when classes are in session.

Special dietary needs are accommodated by provision for vegetarian, gluten-free, and allergy-sensitive food options.

United students also have access to borrowing privileges at the Dayton and Montgomery County Public Library system and the libraries of SOCHE member schools when presenting a valid student ID card.

Textbooks and Products

United does not operate a campus bookstore. Students are encouraged to research book vendors for competitive pricing. In addition, students may want to consider renting books or purchasing second-hand books to reduce the associated costs.

United provides booklists for each course at least 4 weeks before courses open. Students may purchase their books at a vendor of their choice by obtaining the ISBN number for their books from these lists.

Students may identify and download the booklist for each of their courses on the Student Hub. If the booklist for any of your courses is not displayed on this page, please email rcollins@united.edu to inform the office of the Academic Dean.

Students may also order United student spirit products at <http://stores.logosatplay.com/uts>.

Students may log into the Single Sign On site at <http://login.united.edu>.
