## **LAW ENFORCEMENT ON CAMPUS**

United does not have a campus police department or security. All police matters are directed to the City of Trotwood Police Department. No one on campus has law enforcement authority and this authority resides with the local police department.

## **CAMPUS SECURITY AUTHORITIES**

Campus Security Authorities (CSA) are designated based on their role in student life. They are individuals most likely to have ongoing close contact with students and from whom students might seek advice in the event a crime is committed. Some are designated CSA by default because of their positions within the Seminary. These include but are not limited to the Title IX Coordinator, Title IX Investigators, Dean of Chapel, the Director of Student Success, and Academic Advisors, Mentors and Facilitators with significant student interaction. Others are designated CSA because their role on campus creates a special relationship with students.

Campus pastoral counselors are not considered CSAs and are not required to report crimes for inclusion in the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate, to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion in the annual crime statistics. For purposes of CSA responsibilities, pastoral counselors are defined as:

Pastoral counselor: An employee of an institution who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling, and who is functioning within the scope of that recognition as a pastoral counselor.

CSAs are required to report any crime reported to them to the City of Trotwood Police Department. Crimes reported to a CSA and forwarded to the City of Trotwood Police Department are assessed for inclusion in the crime statistics for the Campus Security and Fire Safety Report. This policy is necessary so the Seminary can comply with federal regulations regarding disclosure of campus crimes. Confidential reports that provide sufficiently detailed information for classification of the offense, whether or not they include personally identifying information, will be included in the crime statistics and in timely notifications to the community.

### Listing of CSAs

- Title IX Coordinator
- Title IX Investigators
- Dean of the Chapel
- Academic Advisors
- Contextual Ministry Facilitators
- Doctoral Mentors
- Director of Student Success

## **REPORTING CRIMES**

Members of the United Theological Seminary community (i.e., students, faculty, staff, contractors, and visitors) are encouraged to promptly and accurately report all crimes and public safety-related incidents to the City of Trotwood Police Department , [\(937\) 854-7200](tel:9378547200) or in the case of an emergency to 911 from any campus telephone.

To maximize campus safety, the Seminary strongly encourages anyone with knowledge of any crime (whether as a witness or as a victim) to make an immediate report to the City of Trotwood Police Department in person or by the telephone methods above, when the victim elects to make such a report or is unable to make a report on his/her own. Reporting does not mean legal action must be taken; however, it may help law enforcement stop further incidents, keep the community informed, and provide those affected with resources. Reports may be made to the Vice President for Finance and Administration (937-529-2391 or [slswallow@united.edu](mailto:slswallow@united.edu)).

United Theological Seminary does not encourage anonymous reporting of crime. All incidents, including crimes, should be reported immediately and accurately so the City of Trotwood Police Department can investigate the situation and determine if follow-up actions are required, including an emergency notification. The use of cellular telephones to call 911 will connect the caller to the Montgomery County Regional Dispatch Center. Information on where to report crimes or obtain services is also published in Seminary rules and regulations in the student and employee handbooks.

## **CRIME LOG**

N/A – United does not have a Campus Police Department.

## **DISCLOSURE OF HEARING OUTCOMES**

United will, upon written request, disclose to the alleged victim of a crime of violence (as that term is defined in Section 16 of Title 18, United States Code), or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by such institution against a student who is the alleged perpetrator of such crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such victim shall be treated as the alleged victim for purposes of this paragraph.

## **CITIZEN COMPLAINTS**

N/A – United does not have a Campus Police Department.

## **PHYSICAL SECURITY**

The Administrative/Academic building is open during Seminary business hours to faculty, staff, students and visitors. The building is customarily locked after business hours, during weekends and on holidays to prevent unauthorized entry.

United has invested significantly in the security of the Seminary. The Vice President for Finance and Administration is responsible for all physical security systems (access control, security alarms and remote camera systems).

Electronic access controls have been installed on the exterior doors, as well as the Administrative and Academic wing doors.

Remote camera systems have been installed in common areas of the Administrative and Academic wings, the President's office area and the parking lot. These systems record data on a server for investigative follow-up. The cameras are monitored by the receptionist.

## **EMERGENCY RESPONSE AND EVACUATION**

### **EMERGENCY PHONES**

N/A - United does not have emergency phones.

### **TIMELY WARNINGS**

In the event of an incident that constitutes an ongoing threat to the campus community, a timely warning in the form of a safety advisory will be issued as soon as reasonably practical. Timely warnings are issued by the Vice President for Finance and Administration via the campus email and One-Call systems to all staff, faculty and on-campus students. The warning shall be provided in a manner that is timely, that withholds the names of victims as confidential, and that will aid in the prevention of similar occurrences.

The timely warning process is communicated to all Staff, Faculty and Students each academic year as a part of the Annual Security report. All new hires receive a copy of the report as well.

Warnings were not tracked in 2017 – 2018. In 2019, ten (10) timely warnings were issued. All related to weather related issues and/or power outages.

## **EMERGENCY NOTIFICATION**

The emergency notification plan is used to rapidly notify the Seminary community in the event of a significant emergency or dangerous situation imminently impacting the safety or security of the Seminary. Upon confirmation of a significant emergency or dangerous situation, authorized personnel will activate the system without delay, transmitting a notification and direction for the Seminary.

The following steps will be followed. Unless otherwise noted, the Vice President for Finance and Administration is responsible for each step below.

- Confirm the presence of the emergency. United subscribes to local TV station alerts for news and weather reports.
- The Vice President for Finance and Administration determines the content of the notification. In the absence of the Vice President for Finance and Administration, Executive Assistant to the President will be responsible.
- United will, without delay, and taking into account the safety of the community, determine the content of the notification and initiate the notification system, unless issuing a notification will, in the professional judgment of responsible authorities, compromise efforts to assist a victim or to contain, respond to or otherwise mitigate the emergency.
- The initial notification will provide information relative to evacuation from or avoidance of the impacted area. Follow-up information (if necessary) will be provided in a timely warning message distributed to the Seminary.
- Students, staff and faculty of the Seminary will be included in the notification.
- The emergency notification plan provides for multiple means for contacting students, faculty and staff, including:
  - Seminary email
  - Phone system intercom
  - One-Call system
    - Voice
    - Text
    - Emails are sent to all students, faculty and staff included in the on campus distribution list.
    - Students, faculty and staff are encouraged to provide updated cell phone information for the One-Call system. Doing so will enhance notification ability.
    - During each semester students, faculty and staff are notified to subscribe or update their information for the One-Call system.
- Testing of the notification system
  - All systems are tested and documented annually.
  - A test email will be sent to all Staff, Faculty and Students.
  - A test announcement from the phone system intercom will be done.
  - A test One-Call message will be sent to all Staff, Faculty and Students.

The seminary-provided means of contact are automatically included in this system. Students can update their contact information through the Registrar's office or the student portal. The Vice President for Finance and Administration will announce the schedule for the test, conduct the test, and provide instruction for including privately owned contact information in the system. Direct questions or concerns regarding the One Call System to the Vice President of Finance and Administration at 937-529-2391 or [sjswallow@united.edu](mailto:sjswallow@united.edu).

### **EMERGENCY RESPONSE AND EVACUATION**

In the event of an emergency impacting United Theological Seminary and/or the surrounding community, United staff will implement the evacuation plan after confirming a significant emergency or dangerous situation. All community members will be notified, and the notification will be initiated as rapidly as the situation permits. In addition, local authorities including the local City of Trotwood police department will be notified.

Announced drills for emergency response and evacuation are conducted at least once per year. The seminary staff has communicated with local authorities for the purposes of ensuring a coordinated response to an emergency. Local emergency authorities will manage emergencies occurring on campus.

United has published an emergency response guide for distribution to students, faculty, and staff.

United Theological Seminary is a Christian institution that considers human relationships to be sacred and the human body to be holy. Therefore, it seeks to create a safe, grace-filled environment for all persons in which human worth and relationships are honored and respected. It is the policy of United Theological Seminary to provide all students and employees with an environment free of sexual harassment and other forms of harassment and its interference with their comfort or performance in the classroom or the workplace. Any behavior that constitutes sexual harassment or other discriminatory harassment is a violation of human dignity and rights and will not be tolerated.

As a matter of ethical, moral and legal responsibility, United Theological Seminary affirms its obligations under Title IX, the Campus Sexual Violence Elimination Act, Campus Save Act and the Clery Act. These acts prohibit a variety of discrimination. Descriptions of these regulations can be found at the U.S. Department of Education website: <http://www2.ed.gov/policy/rights/guid/ocr/sex.html>.

## **Sexual Harassment section of Employee Handbook**

### **703 Sexual and Other Unlawful Harassment**

United Theological Seminary is a Christian institution that considers human relationships to be sacred and the human body to be holy. Therefore, it seeks to create a safe, grace-filled environment for all persons in which human worth and relationships are honored and respected.

It is the policy of United Theological Seminary to provide all students and employees with an environment free of sexual harassment and other forms of harassment and its interference with their comfort or performance in the classroom or the workplace. Any behavior that constitutes sexual harassment or other discriminatory harassment is a violation of human dignity and rights and will not be tolerated.

#### **SEXUAL HARASSMENT DEFINED**

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature when:

1. Submission to such conduct is used either explicitly or implicitly a term or condition of employment, admission as a student to the school, or participation in any program or activity;
2. Submission to or rejection of such conduct by an individual is used as a basis for employment decisions, such as promotion, demotion or raises, or as a basis for academic decisions, such as grades, evaluations or references, affecting such individual; or
3. Such conduct has the purpose or effect of unreasonably interfering with the employee's job performance or a student's academic performance, and/or creates an intimidating, hostile or offensive environment for work or learning. Examples of acts that create a hostile environment include repeated unwelcome sexual comments or advances, taunts regarding sexual orientation, taunting jokes directed to a person by reason of their gender, obscene posters, threats and favoritism based on gender.

Sexual harassment may be verbal or physical. Verbal harassment includes sexual advances, requests for sexual favors, unwelcome comments of a sexual nature, taunts, threats, or display of obscene objects, pictures, cartoons or posters. Physical harassment includes touching, fondling or assault.

Sexual harassment may be overt or covert, and even unintentional, with a coercive aspect that is unstated. Individuals may be unsure about how to interpret certain experiences. In such circumstances the individual is encouraged to discuss these concerns with a trusted faculty or staff member. If it is believed that sexual harassment may have occurred, the reporting procedures in this policy apply.

## **REPORTING PROCEDURES**

United requires reporting of all perceived incidents of discrimination, harassment or retaliation, regardless of the offender's identity or position. Employees or students who believe that they have been the victims of such conduct must report the conduct to:

- Employees: their immediate supervisor or, if the immediate supervisor is the one whom the employee believes is harassing him or her or the employee is otherwise uncomfortable reporting to the immediate supervisor, the President.
- Students: the Academic Dean or, if the Academic Dean is the one whom the student believes is harassing him or her or the student is otherwise uncomfortable reporting to the Academic Dean, the President.

In addition, United encourages individuals who believe they are being subjected to such conduct, and are comfortable in doing so, to promptly advise the offender that his or her behavior is unwelcome and request that it be discontinued. Often this action alone will resolve the problem. However, regardless of whether or not the employee or student first tells the offender to stop, United still requires the employee to report the conduct in accordance with this policy.

It is important that employees and students report harassment in accordance with this policy, as United cannot do anything to remedy the situation if it does not know it exists. This is the most effective way to initiate action and if warranted, correct the situation.

## **COMPLAINT PROCEDURES**

Upon being told of such possible harassment, United will take prompt effective action to determine whether harassment has or is taking place, and to stop such behavior where it does exist.

Complaints will be carefully documented and promptly investigated. United will protect the confidentiality of harassment complaints, including individuals who participate in the investigation, to the extent possible, but confidentiality cannot be guaranteed. If the complaint confirms violation of this policy, corrective action will be taken. Corrective action may include education, training, discipline, a combination of these or termination (employees) or expulsion (students).

There will be no retaliation against anyone who submits a legitimate concern under this policy or assists in the investigation of any such complaint. If an employee or student feels

that he or she has experienced retaliation as a result of reporting or participating in an investigation under this policy, he or she must comply with the reporting procedures described above.

### **UNITED OUTSIDE REPORTING**

Rape or other criminal acts of violence will be reported to civil authorities as required by law.

Considering the proportionality of the allegation, findings may be reported to the church judicatory where the student or employee holds ecclesiastical status. This would occur with the knowledge of the person complained against and the agreed decision of the President and Academic Dean.

### **OTHER FORMS OF HARASSMENT**

If an employee or student believes he or she is being discriminated against or harassed on the basis of race, color, creed, religion, sex, sexual orientation, gender identity, genetic information, marital status, military or veteran status, national origin, age, ancestry, citizenship, disability or any other characteristic protected by law, the employee or student must follow the reporting procedures set forth above. The complaint procedures set forth above will also apply, including the anti-retaliation provisions in this policy. All employees and students should understand the importance of reporting discriminatory conduct. Employees or students who engage in discrimination or harassment should be aware they will be subject to serious disciplinary measures up to and including termination (employees) or expulsion (students).
